

# Pre-ipo Shares and Wealth Management Solutions

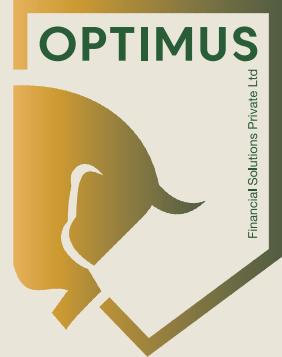

**Invest in the future with Pre-IPO  
shares. Get in on the ground floor of  
the next big thing.**

# Pre – IPO Share

Shares of unlisted companies which are expected to get listed in public stock exchanges like NSE and BSE in foreseeable future.

The promoters of the companies looking to raise funds will sell blocks of their shares, often at an extremely discounted price. There is a rising trend of retail and High networth Individuals investing in pre - IPO shares

Financial Solutions Private Ltd
